Page no. _____

Your pump _____ Transporter _____ Phone _____

Credit limit (Rs) _____ Credit days _____ Balance brought forward (Rs) _____

Date	Truck no.	Fuel	Litres	Udhar given (Rs)	Money received (Rs)	How paid · UTR or cheque no.	Coupon / slip no.	Who filled	Balance (Rs)	Transporter's sign

Write each line when the fuel goes in. Balance = the balance on the line above (on the first line, the balance brought forward) + udhar given − money received. Never write over a line: strike a wrong one through, leave it out of the balance, and write the right line below. When the page is full, carry the last balance to a new page as the balance brought forward.
