Udhar khata

One page for each customer

Page no. _____

Your business _____ Customer _____ Phone _____

Credit limit (Rs) _____ Credit days _____ Balance brought forward (Rs) _____

Date	Vehicle no.	Item	Quantity and unit	Udhar given (Rs)	Money received (Rs)	How paid · UTR or cheque no.	Slip or bill no.	Who served	Balance (Rs)	Customer's sign

Write each line when the goods go out. Balance = the balance on the line above (on the first line, the balance brought forward) + udhar given − money received. Never write over a line: strike a wrong one through, leave it out of the balance, and write the right line below. When the page is full, carry the last balance to a new page as the balance brought forward.
